Congratulations on the purchase of a puppy from Hilltop Canines. Happiness from our family to yours! We certify that the puppy you purchase is in sound health at the time of sale to the best of our knowledge. We do our very best to provide your family with a happy and healthy puppy.

We can't control the exposure your puppy encounters after leaving here. Therefore puppies sometimes stress when adopted and moved to the new home. This stress can be brought on due to the move, change of diet, too much handling or not eating properly. This stress can bring on things that are dormant such as but not limited to; Parasites, ear mites, colds, hypoglycemia, coccidia, giardia, parvo. These conditions are all treatable and do NOT warrant a reimbursement.

Any congenital abnormality or condition deemed to be the breeders fault will be warranted for 1 year from DOB with a signed letter from the diagnosing

veterinarian. This guarantee will issue 100% money back (-tax) for price paid for puppy or a replacement of same breed if available. And will NOT cover any veterinary fees or services. This contract will recognize original owner's only.

We recommend taking your puppy to the vet within the first week to establish an account if any life threatening health problems are found at time of exam please contact us immediately. Puppy needs to be returned with a written statement from your vet. If puppy should die within 72 hours of purchase an autopsy from a state vet lab is required.

It is the customer's responsibility to provide a healthy diet and proper exercise for the puppy. To do their part in preventing health issues. If for some reason you can not take care of your puppy or can not keep it any longer please return puppy to us. By signing I am confirming that I have received the puppy that is listed above.
